WELCOME TO AQUANAUTIC ELBA

Our dive centre is on the island of Elba in Tuscany, in idyllic Morcone bay at the foot of the picturesque mountain village of Capoliveri. Join us here for an unforgettable experience above and below the water.

NITROX
FOR FREE

We offer up to eight daily dive trips on our boats. Two custom-built dive boats combine the comfort of a large boat with the fast pace of a speedboat. A third boat for day trips and snorkelling excursions completes our fleet.

Visit the **spectacular dive sites** close to our dive centre – and in two family-friendly hours you can be back sunning yourself on the beach. Alternatively, you can take our day boat to other breathtaking places around Elba, go snorkelling, or try out our SUPs and Seabobs.

Discover new dive sites with us, visit the **wreck of Pomonte**, enjoy the peace of a deserted bay during the lunch break, and dive down with your buddy or a guide to marvel at huge gorgonians.

With our dive centre's LandRover we take you to further away dive sites. You plan all the elements of your dive day just the way you want, we make it possible.

Our spacious, covered terrace shaded by tall pine trees makes a wonderful place to compare notes with others after your dive or simply sit back and relax. Free wireless internet is available at the dive centre.

Dive courses are conducted in small groups, all dates and times are individually set up in accordance with the participants.

You can start any time! We also regularly offer instructor training courses.

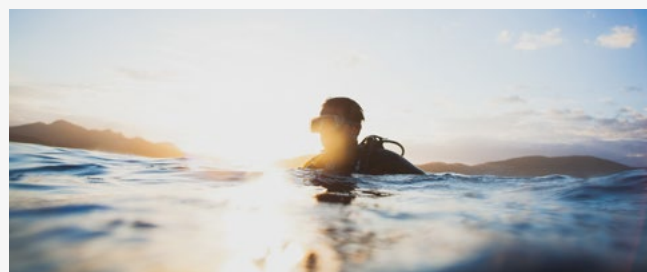

Our as-new MARES® rental equipment makes for maximum diving comfort and safety. Use nitrox for your underwater adventures at no extra charge. What's more, we guarantee **compressed air/nitrox of the highest standards**. We continuously electronically monitor the breathing gas quality during the filling process.

We will also be only too happy to help you plan your trip – from your transfer to the island to your ideal accommodation.

You can get even more enjoyment from your diving holiday. The AquaNautilus AI Pozzo Resort right next door to our dive centre offers not only spacious accommodation, but also half board to suit your needs, as well as some other amenities you will love.

We look forward to welcoming you personally!
